PROFESSIONAL EXPERIENCE

HR Executive | Trackpi Private Limited *(Kottayam, Kerala, India)* [2025-12 – Present]

- **100% compliance across employee records and onboarding documentation:** Managed end-to-end employee documentation, including personal files, contracts, and compliance records.
- **Zero-defect monthly payroll input compilation:** Tracked attendance and leave balances to support monthly payroll data compilation and statutory PF/ESI filing.
- **Standardized new-hire orientation process:** Facilitated seamless onboarding for new hires, coordinating induction sessions and HR correspondence.

HR Executive | Supportta Solutions Private Limited *(Kottayam, Kerala, India)* [2025-03 – 2025-12]

- **20% reduction in hiring turnaround time:** Coordinated end-to-end recruitment pipelines, candidate screening, and interview scheduling.
- **90% retention rate for 50+ onboarded employees:** Coordinated new-hire onboarding, induction scheduling, and orientation programs.
- **15% increase in attendance data accuracy:** Implemented and monitored an attendance tracking system and updated HRMS database.

VMC Operator / CNC Programmer | Rayat Industries LLC *(Dubai, UAE)* [2017-11 – 2023-03]

- **Substantial reduction in scrap rates and cycle times across 5+ years:** Operated and programmed CNC Vertical Machining Centers (VMCs), optimizing G-code / M-code programs.
- **Trained junior technical operators:** Mentored junior operators on machine programming, fixture setup, and safety protocols.
